STRATEGY ALIGNMENT • AL SHAMI

The Master Plan

From heritage roaster to the Middle East’s proud coffee and hospitality house

[Consultant name] • [Month 2026]

WHY WE'RE HERE

Alignment first, then a concrete plan

01

Align

Agree the vision and the ambition for Al Shami and the wider group.

02

Prioritise

Confirm the four pillars and decide what comes first.

03

Commit

Agree the next step: a concrete, costed plan with owners and dates.

TODAY

Where Al Shami stands today

What we build on

- A trusted name with [a century] of roasting craft
- Grab & go: the first step into modern retail
- Modernisation efforts already underway
- Loyal customers and strong local recognition

What we need to fix

HYPOTHESES TO VALIDATE

- A brand and packaging built for regional growth
- Standard operations and consistent quality
- Talent, training and a clear structure
- A growth roadmap beyond Syria

THE AMBITION

From Syria's heritage roaster to the Middle East's proudest coffee and hospitality house.

A proud brand that grows across the region, gives back to its community and builds a legacy that outlasts its founders.

THE PLAN

Four pillars, one direction

01

Fix & modernise Al Shami

A proud regional brand built on grab & go

02

New concept creation

New F&B brands that diversify growth

03

Resort & hospitality group

Venues that carry the Al Shami welcome

04

Continuity & legacy

Governance, succession and lasting impact

PILLAR 01

Fix & modernise Al Shami

AMBITION

Build on grab & go and the modernisation already started: a proud Middle East brand with CSR at its heart.

OUTCOME

A modern Al Shami, ready to grow across the region

WORKSTREAMS

BRAND & MARKETING	Refresh identity, packaging and story; build a digital presence
CONCEPT	Turn grab & go into a repeatable format: kiosk, cafe, retail shelf
OPERATIONS	SOPs, roasting consistency, quality control and supply chain
PEOPLE	Key hires, a training academy and service standards
BUILD	Store design standards, retail and e-commerce channels
IMPACT (CSR)	Ethical sourcing and community programs that carry the name

PILLAR 02

New concept creation

AMBITION

New F&B brands that diversify revenue, use Al Shami's strengths and open new markets.

OUTCOME

[2-3] proven concepts, ready to scale

WORKSTREAMS

CONCEPT	Spot market gaps; design concepts, menus and guest experiences
BRAND & MARKETING	Naming, identity and launch campaigns for each concept
OPERATIONS	Kitchen design, SOPs and a shared supplier network
PEOPLE	Hire chefs and GMs; train every team to one standard
BUILD	Site selection, design, fit-out and a pilot location
EXECUTION	Stage gates: test, learn, then scale or stop

PILLAR 03

Resort & hospitality group

AMBITION

Resorts and venues that carry the Al Shami standard of welcome and generosity.

OUTCOME

A pipeline with [first resort] in development

WORKSTREAMS

CONCEPT	Positioning, guest experience and the F&B program
BRAND	One group brand architecture across every venue
OPERATIONS	Operating model, management systems and service standards
PEOPLE	A leadership team and a hospitality academy
BUILD	Site and partner strategy, feasibility and development
EXECUTION	A phased pipeline with clear investment gates

PILLAR 04

Continuity & legacy

AMBITION

Clear governance, next-generation leadership and an impact that reaches beyond the founders.

OUTCOME

A group that runs on systems, not on individuals

WORKSTREAMS

GOVERNANCE	A board, a family charter and clear decision rights
PEOPLE	Succession planning and next-generation development
SYSTEMS	Finance, reporting and shared KPIs across the group
BRAND HERITAGE	An archive and a story that protect the name
IMPACT (CSR)	A foundation for community and sourcing impact
EXECUTION	An annual strategy review that keeps the plan alive

THE ROADMAP

How we get there

PHASE 1 • NOW

Align

Vision, pillars and priorities agreed

This session

PHASE 2

Plan

A concrete, costed plan per pillar with owners and KPIs

[__ weeks]

PHASE 3

Execute

Quick wins on Al Shami first, then pilots for new concepts

[__ months]

PHASE 4

Scale

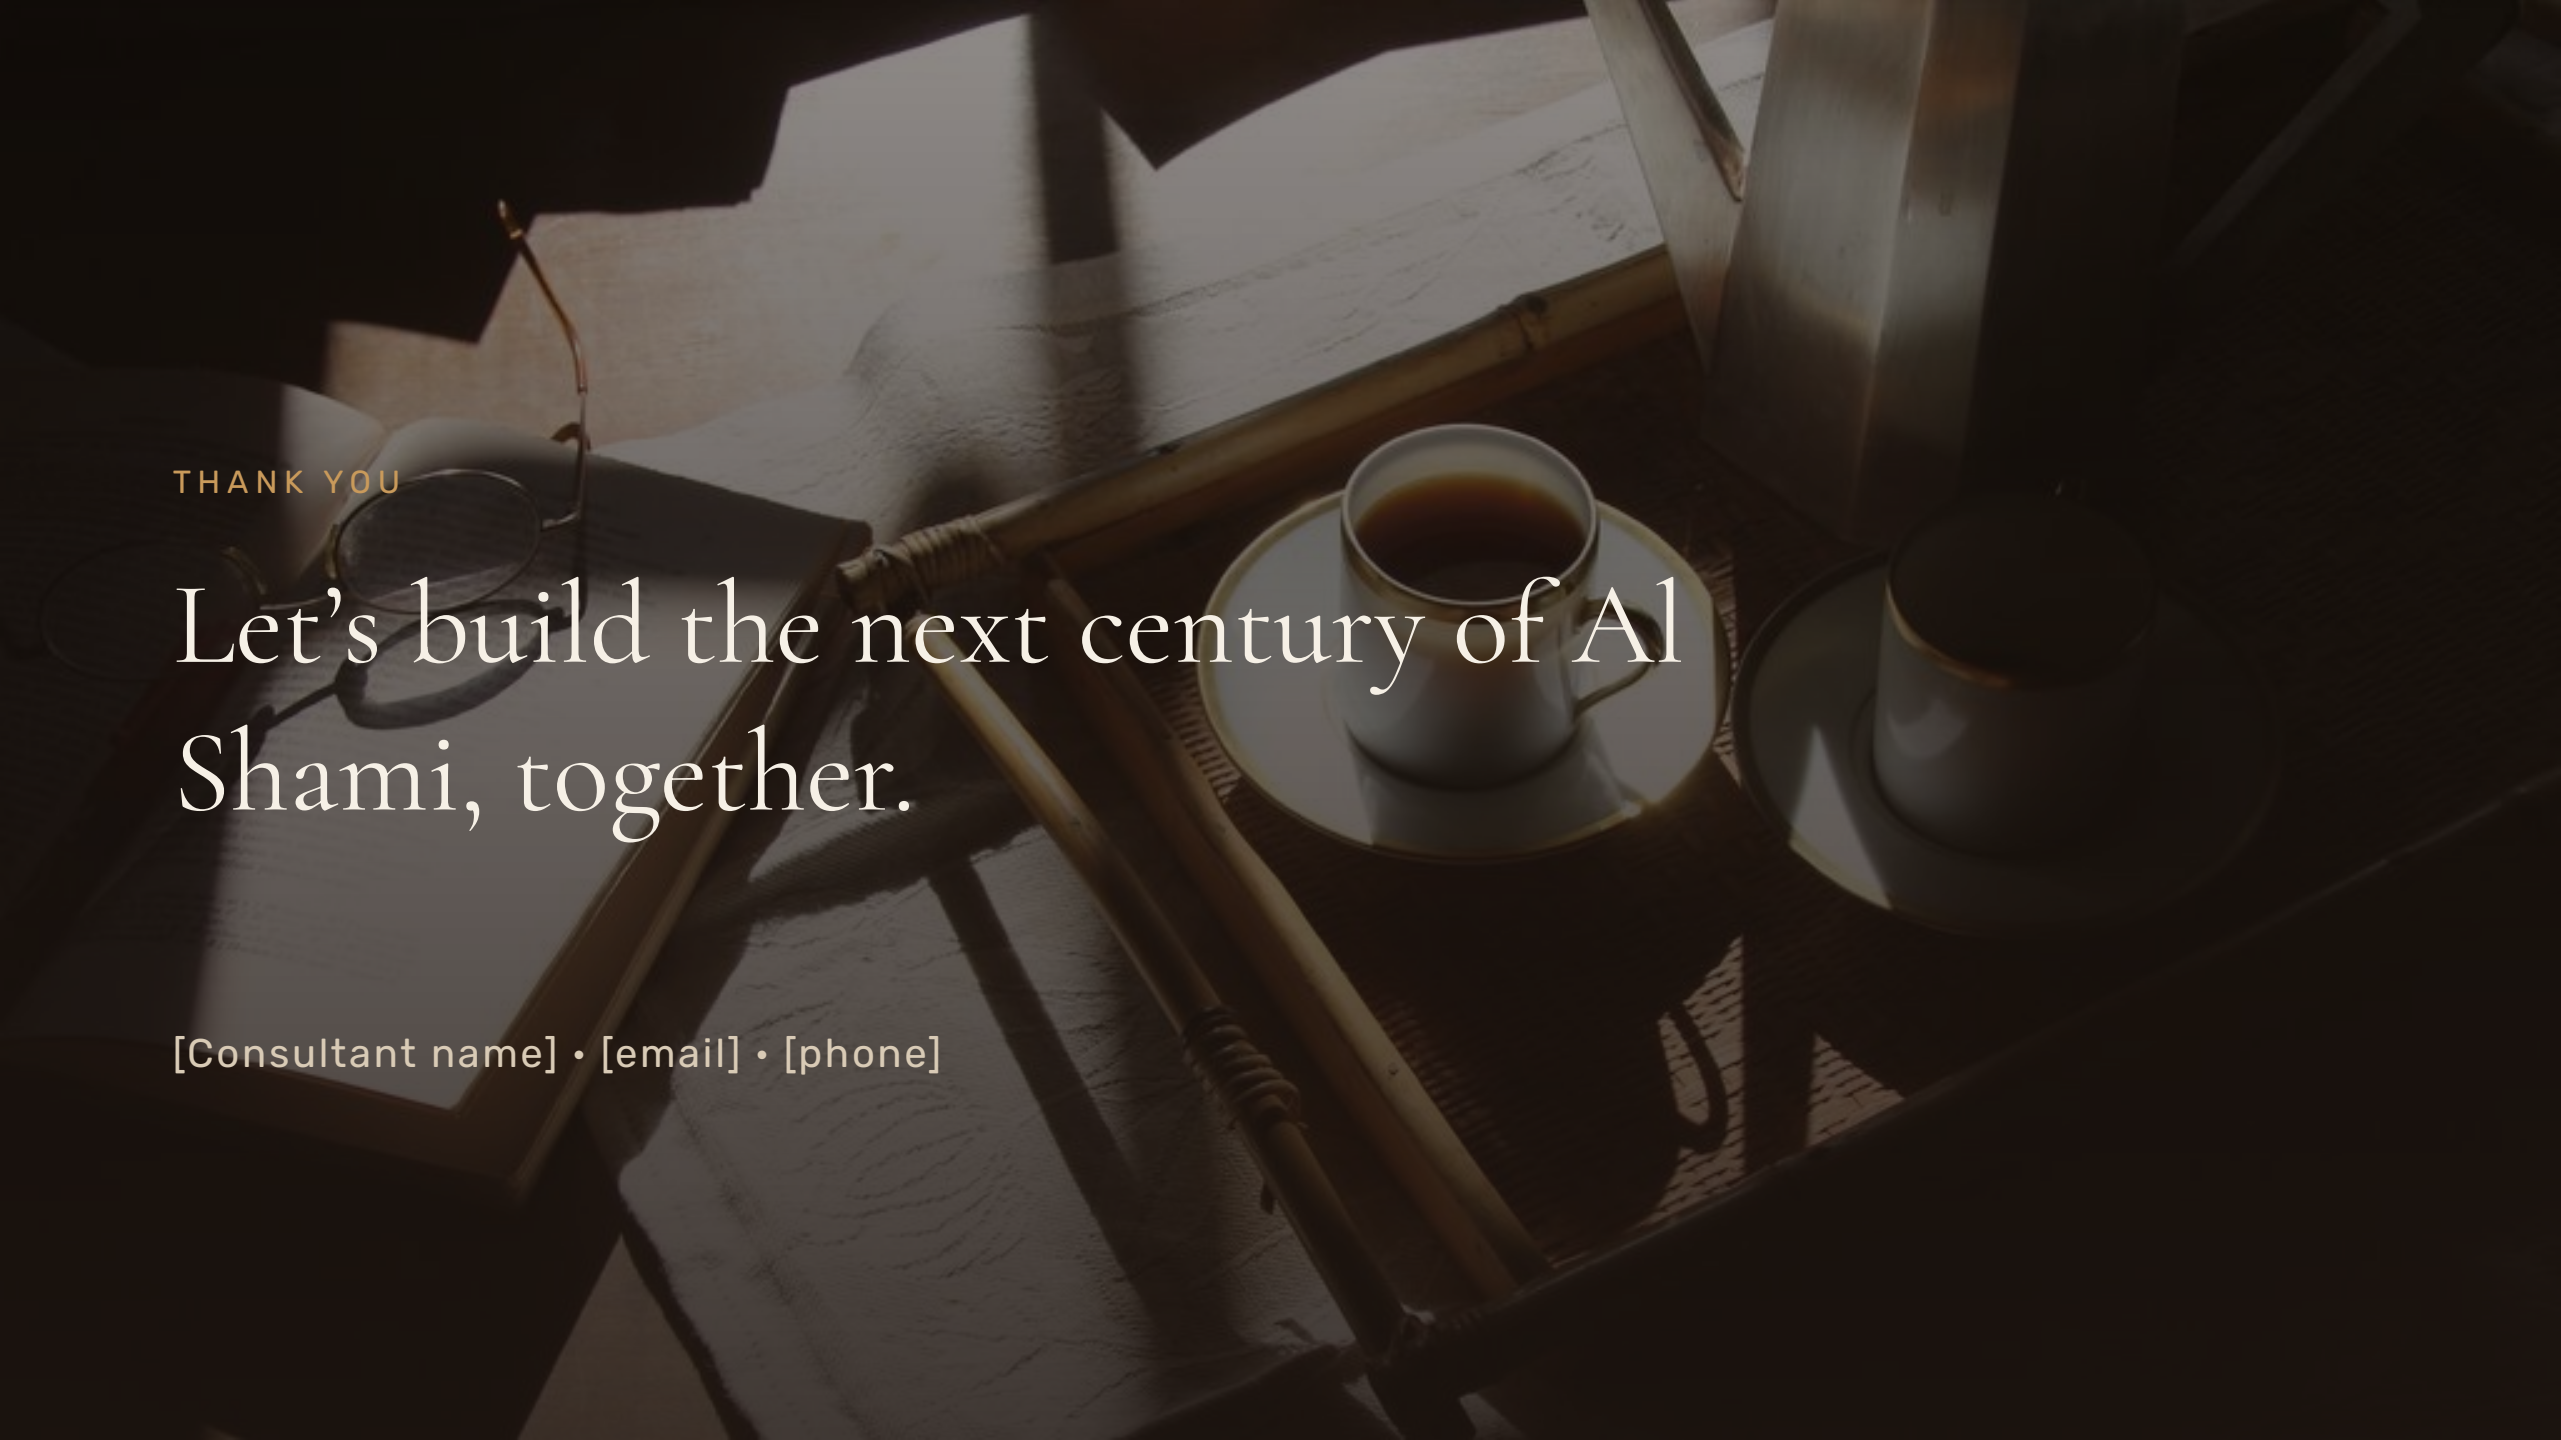

Regional roll-out, hospitality pipeline and governance in place

[__ years]

DECISIONS

What we need to agree today

01	Confirm the ambition and the four pillars
02	Agree priorities and sequencing across the pillars
03	Name the decision makers and a project lead on your side
04	Share the data: sales, costs, sites and current plans
05	Lock dates for the planning workshops

THANK YOU

Let’s build the next century of Al Shami, together.
